Introductory Comments

On August 25, 2003, applicant filed a "Response to Office Action Mailed May 23, 2003", including claim amendments. On September 4, 2003, the U.S. Patent and Trademark Office mailed a Notice of Non-Compliant Amendment indicating that applicant's Response was non-compliant because a complete listing of all claims was not present in the claim amendments section. The Notice of Non-Compliant Amendment provided a one-month time period for applicant to correct the previous Response.

The present response is in response to the Notice of Non-Compliant Amendment and is substantially identical to applicant's previous Response except that a complete listing of all claims has been included.

Please amend the application as follows.
